National Service Scheme

❖ About the Unit:

The NSS Unit is an integral part of the college mechanism in achieving all round personality development of the students.

The Government of India launched the National service scheme on 24th Sept. 1969 for the University students for their participation in social department, the aim of the scheme is personality development through social service. The function of NSS is carried out through regular activities which includes different activities in college premises and in the society outside. Special camping is done in the adopted village where 7 days camp is organized.

Our college has accepted this scheme to achieve the objectives of the NSS. Our NSS Unit has good reputation in the university for beginning and hence it remains the responsibility of the programme officers and the students to maintain the reputation.

Key Features:

- Understand the community in which they work.
- Understand themselves in relation to their community.
- Develop among themselves a sense of social and civic responsibility.
- Apply their education in finding practical solution to individual and community problems.
- Gain skills in mobilizing community participation.
- Acquire leadership qualities and democratic attitude.
- Develop capacity to meet emergencies and natural disasters.
- Practice National intergration.
