Departmental Profile

Department of Geography

March 2023

Introduction

Geography is the fundamental discipline, which studies things and events in their total context. It helps to know the significance of location, distances, direction and spatial distribution. Due to human activities many problems arise like over population, pollution, desertification, deforestation and global warming which leads to imbalance in the environment. Geographical knowledge helps to solve such problems and face the challenges of competitive era. Its knowledge is very essential for overall progress of human race. As Geography is one of the basic and important subjects it is taught since opening of the college.

Mission

“To create the environmental & social awareness among the students & to built up the unity in the diversity of region, languages, religions & castes.”

Goals and Objectives of the Department

1. To create interest in geography among students and enable them to know the geographical conditions of state and country.
2. To encourage the students to participate in various competitive exams.
3. To encourage the students for higher education.
4. To create awareness about over population & environment among the students.
5. To understand the cause & effect relationship among various Geographical incidences.
6. To motivate students for co-operation among themselves.
7. To develop the spirit of national integration among the students.

8. To develop the spirit of international understanding.

9. To read the maps and interpret them.

Keeping these objectives in mind we try to work in the department.

1. History of the Department

Our department is established from the opening of the college in 1989, and the specialization started in 1991. Built up area of the department is 17.33 square metres. From the starting the department has well academic record. The departmental staff and students actively participate in various activities run by the college.

June 1989	The Department was established
June 1989	Commencement of Undergraduate Course (At General Level)
June 1991	Commencement of Undergraduate Course (At Special Level)

2. Programme Offered

UG (B.A. Geography)

3. Courses and Syllabus Details

The department runs the academic program at three years integrated courses general and special level. Faculties teach Geography at Special Level therefore total 10 papers we teach.

Level	Course	Pattern	Subject Code	Title of Paper
UG	FYBA (w.e.f. 2018-19)	Semester 60+40 (CBCS)	Gg. -101(I) DSC- A Gg. – 201(II)	Physical Geography-1 (Lithosphere) Physica Geography-1

		T.Y.B.A.	Geography GE 1 A & B	04	
					42

13. Examination Pattern

B.A. CBCS (60+40) Semester System

14. Work design of the Department

- Preparation of Subject wise Teaching Plan.
- Maintain Daily Diary.
- Maintain Attendance Sheets.
- Submit syllabus completion report at the end of each session.

A) Teaching (Teaching methods adopted to improve student learning)

- i) **Interactive lecture method**- Is used to encourage students to express themselves & consolidate their understanding of the topic taught.
- ii) **Lecture and analytical Method**- Generally we use the lecture method.
- iii) **Discussion**- We held discussion with students on the syllabi related topics.
- iv) **Short Questions**- Questions related to the topics are asked to the students after the topic taught.
- v) **Practical**- We conduct the practical for S.Y.B.A. &T.Y.B.A .students who offered Geography at special level.
- vi) **Study Tours**- Regular study tours are arranged for the students to know the actual geographical features around them.
- vii) **ICT**- We use the Computers & Internet for Some parts of Curriculum includes. ICT based teaching tools such as internet in

teaching learning processes is being used for some important topics.
We use the Computers & Internet for Some parts of Curriculum.

viii) **Map reading and interpretation-** For T.Y.B.A. Practical we use map reading & interpretation of Topographical maps & IMD, Weather maps

B) Teaching Aids:

Text books, Blackboard, Charts, Maps, Atlas, Globe, Reference Books, Periodicals and E- Resources etc.

C) Evaluation System :

I) Internal tests of 40 marks in each semester has been held. Surprise test has been conducted.

II) Class wise group discussion and face to face feedback

III) We organize Oral Examination for the practical Paper S.Y.B.A

DSE-2 A & B (S-2) paper & T.Y.B.A. DSE 4 A & B (S-4)

IV) For External Evaluation the university examination 60 Marks has been conducted.

15. Books in the Library

We don't have the departmental library but in our central library there are Sufficient books of Geography including texts and references and two periodicals (Journals)

No. of Books : 656 (Value – Rs- 78,385)

Text & Ref. books : Text books: 306, Ref. Books: 305

No. of Journals : i) Maharashtra Bhugolshastra Parishad.
ii) Deccan Geographer.

16. Teaching, Learning Resources:

Name of items / Instrument	Quantity	Name of items / Instrument	Quantity
Political, Physical Maps	08	Barometer	01
(SOI) Topographical Map	37	Hygograph	01
Weather Maps	20	Wind Vane	01
Globe	01	Wet & Dry Bulb Thermometer	01
Relief Plastic Map	01	Max And Min. Thermometer	01
Plane Table	05	OHP	01
Prismatic compass	05	Tracing Table	01
Dumpy level	01	Camera	01
Chain and Tape	01	Outline Maps	07
Rain Gauge	01	Atlas	01

17. ICT facility

A computer and Internet facility is available in the Computer Lab for Staff and Students. The student use these facilities for learning some topics included in their curriculum like Environmental issues, Remote sensing, GIS, Geographical features etc.

18. Strength of the Students at General level & Special level.

(2017-18 to 2022-23)

32. Details of Infrastructural facilities:

- The department of geography has good infrastructural facility. The department has one spacious laboratory/classroom. Built up area of the department is 17.33 square meters.
- There is separate arrangement for staff & Head of the department.
- Department is with all necessary geographical equipment /instrument facility.
- A computer and Internet facility is available in the Computer Lab for Staff and Students. The student use these facilities for learning some topics included in their curriculum. There are also availability of scanner, printer, LCD projector etc.

33. Details on student enrichment programmes (special lectures / seminar) with external experts:

To enrich students on various topics special lectures are arranged for the students on the occasion of celebration of days like Geography day, World Ozone day, Population day etc.

Study tours are arranged every year to a place of geographical interest & students presented a report.

34. Participation in Institutional Social Responsibility (ISR) and Extension activities:

- Head of the department Dr. Manisha Pawar.
- Dr.M.S.Pawar & Dr.S.D. Shrirao -IQAC member of the college
- Dr. Shrirao is the co-ordinator of publicity & Exam. committee.

- Dr. Manisha Pawar is the co-ordinator of Yuvati Sabha.
- Participation in NSS Special winter camp organized by college every year.
- Involvement in rallies against social evils.
- Celebration of environmental days, population of day etc. in collaboration with N.S.S.

35. SWOC Analysis of the Department and Future Plans:-

Strength:-

- U.G. Programmes at Special Level are available
- Geography is of base the General Knowledge.
- Well qualified experienced teaching faculty with availability of research guide.
- Geography is available as special and general subject in B.A.
- Contribution of students in College Gathering, NSS, College Sports, Cultural activities, etc. and Social Awareness.
- Well-equipped lab with equipment's.
- Sufficient numbers of reference & text books of geography are available in the central library.
- Arrange regularly Departmental Study Tours

Weakness:-

- For excursion, students cannot afford expenses
- Lack of separate ICT class for organizing lectures and events.

- Non-availability of geography PG center.

Opportunities:-

- To start certificate courses
- Job opportunities are available to the students in teaching profession.
- Student can get job in surveying and meteorological department.
- Plane Table, Prismatic compass & GPS survey for needy peoples.
- Student of geography can avail job in defense as well as planning and education departments of state and central governments.

Challenges:-

- To create awareness about competitive exams
- An increase in final-year degree dropouts as marriage becomes a obstacle.
- Intake of students for our college is mainly from rural areas and students belongs to poor and backward families.
- To create awareness among the students about the higher education.
- Up gradation of subject syllabus to meet the demands of present day.
- To improve marginal students.

Future Plans:-

- To organize State/National level seminars and conferences
- To start certificate course of GIS & Remote Sensing
- It is proposed to conduct university level syllabus framing workshops.
- Submission of proposal for the departmental project.

- Conducting guest lecturers inviting expertise from the reputed institutions.
- To improve the ICT facilities.
- Giving students experience of small research projects and papers.
